Alexandria, VA 22313-1450

Sir:

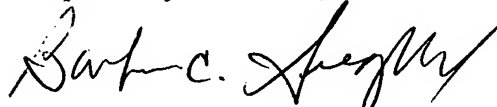

This is in response to a Restriction Requirement mailed on December 16, 2003. A request for a three-month extension of time accompanies this response.

Claims 1-24 are in the application as filed. The examiner has restricted the application as follows:

- I. 1-13
- II. 14-24

Applicant elects group I, claims 1-13. In traverse of the restriction, applicant points out that claims 14-20 relate to uses of the composition of group I. A search of group I would be likely to relate to claims 14-20.
